Our Pilgrims are taking a picture with His All Holiness Patriarch Bartholomew at the Ecumenical Patriarchate in Constantinople on Tuesday, Sept. 3, 2019.
Remarks from Fr. Michael

Dear Parishioners,

We had the blessing to organize and participate in this most blessed Pilgrimage to Constantinople and to the Holy Lands departing on Sunday, Sept. 1st and coming back late Friday night on September 13th.

We were 49 Pilgrims and experienced a once in a lifetime trip. We were visiting everyday many Churches, Monasteries, shrines, sites and learned scripture, history, theology, geography, Iconography and art. We thought that we were experiencing a type of extraordinary Pilgrimage. Ask anyone of the participants and you will feel the wonder that we were living. An extraordinary trip that we wish those who never took, to please consider planning and participate in the future for the sake of feeding and building the Orthodox Faith within you.

I will try to write from time to time some reflections from that blessed experience of our Pilgrimage.

Our first visit when we arrived in Constantinople was to go to our Ecumenical Patriarchate and receive the blessings of His all Holiness Patriarch Bartholomew. Going there we first needed to pass through some security measures and then we were allowed into the Patriarchate grounds. The main doors there, were permanently closed forever, so we needed to go into a side door area. These main doors were closed because this is where Patriarch Gregory V was hanged and killed on Easter day, April 10th, 1821 by the Turks. We were escorted into a side door. While we were waiting, we visited the St. George Church that is on the grounds of the Patriarchate. There were beautiful icons and relics inside. We venerated the relics of St. Solomoni, St. Theophano the Queen, St. Euphemia, St. John Chrysostom, St. Gregory the Theologian and St. Basil the Great. Then we were taken to a separate room and His All Holiness came in to greet and speak with us. He had good words for organizing this Pilgrimage to Constantinople and the Holy Lands. He commended our Metropolitan Savas and had good words about our new Archbishop. He was gracious with his time and greeted each one while at the end He took a picture with all of us. We also gave His All Holiness the gifts we had brought for Him from the States. We had an Epitrahilion and an Omophorion, a huge bag of Hershey chocolates and monetary donations from the Church and other individuals. The Patriarchate struggles constantly with the Turkish government to allow the Greek Orthodox to have some freedoms. He was very pleased, grateful, touched and moved by our gifts. He sends His Patriarchal blessings to our Community and our Families. We invited Him to visit with us when the next time He will visit America. He is coming in May of 2020.

Constantinople, used to be called the “Great Monastery” because it had over 1025 Churches and Monasteries within its borders. Now there are only 106 left open. Constantinople has seven hills and Agia Sophia was built on the 1st hill. Also, the Monastery of Choras was built on the 7th hill. This Monastery has the most famous mosaics.

After the visit with His All Holiness we were blessed to visit Agia Sophia Cathedral which was built in the 6th century and consecrated on December 27th, 537 AD. This huge Church, one of the seven wonders of the world, has a unique architecture. It is a basilica with a centralized building in an original manner with a 105 foot main dome supported by pendentives and two semi domes. In the plan the building is almost square. There are three aisles separated by columns with galleries above and great marble piers rising up to support the dome. The base of the dome is pierced by windows that give the perception that the canopy floats on air.
When St. Justinian, the Emperor, who built Agia Sophia entered into the completed Church for the first time, he said, “Solomon, I have outdone thee” «(Νενίκησά σε Σολομόν)».

Agia Sophia served as a center of religious, political and artistic life for the Byzantine World. We admired the unique architecture, the enormous space on the floor and on the galleries and also those mosaics that have been uncovered and saved.

As we gazed at the Pantocrator in the dome, we were reflecting our own spiritual journey as faithful to meet the Savior the Pantocrator through the disciplines and practices of our saving faith. The arches guide us from the floor to approach the Pantocrator with the same way our labors and strict exercise of the faith advances us to meet the Lord.

Before the Turkish occupation, Agia Sophia was in its glory. It could fit 23,000 persons in the entire Church. On the upper floor, the woman’s section was located, and they weren’t allowed to mix on either floor. Men on the 1st floor and women on the 2nd floor. Even the Empress had a special place upstairs. In order to get upstairs you had to walk up the “first-ever” handicap ramp for like 7 floors. And you would go down using another way again a handicap ramp. No steps. The floors were made from marble and over time, they had gotten very smooth but slippery. You could enter Agia Sophia by invitation only. Though, it was open to everyone only on Christmas, New Years, Pascha and August 15th.

Unfortunately, it is now a museum with icons that were covered and mostly cannot be restored because of the materials used. Some though, being restored partially, you could see the beautiful icons of Christ, the Virgin Mary, St. John the Baptist and other Saints. The Holy Altar Table was made of gold. Sultan, Mehmed II after sacking Constantinople, tore all that down and melted all the gold into 55 million gold coins. The 50-ft. silver Iconostasis is in a museum. It was sad to see such a magnificent structure be a museum. We also saw scaffoldings in one area of the Church, and they said that those scaffoldings are there for over 30 years giving the impression that they are restoring something there. But in actuality, they are covering 1/3 of the whole Church and concealing the magnitude of how large and magnificent the Church is. No work is being done.

We also were able to visit Baloukli – “Theotokos of the Life-Giving Font”. Going into the Church there was a fountain that had faucets and you could get blessed water and if you looked into the fountain you could see below the water with five fish that still exist there. The main Church is beautiful and painted nicely though if you look carefully you would observe that the ceiling is dark and black. Back on September 6, 1955, the Turks not only killed the Greek population and vandalized their shops and homes, but also, more tragically they captured some of the priests and they burned them alive hanging them from the center of the Church, as it happened in that Church where we were at Baloukli. The reason they don’t paint the ceiling is to have a reminder of what the Turks did. Walking into the back yard of the Church there are the graves of all the Patriarchs and many Archbishops/Bishops. Our last Patriarch, Patriarch Demetrios is buried there.

Needless to say, wherever we went there were buses and people coming constantly. These people are Christians from all around the world and many Greeks as well. We saw some from Greece. In Constantinople there are 3,000 mosques. They continue to build more mosques. Though, they say that 15% of the Turkish population go to the mosques and the rest don’t bother. There are 20 million people living in Constantinople.

We also were able to visit the Theological School of Halki. We sailed on the Bosporus on a ferry boat to go to the island of Halki. After we got off the boat, we took a horse buggy to the top of the hill where the School is located. From the top, you could see all of Constantinople. The School is still closed. The classrooms that we visited are ready to receive students. The government had ruled that all private colleges be closed in 1971. But we, here in the States are trying to have our government
officials get it reopened.

We learned so much as we were visiting Constantinople. May the Lord provide the strength to our Patriarch and protection and to all who are serving there under these difficult circumstances. We ask His All Holiness to pray for us and our Archdiocese.

Please take a look at the pictures.

With love and respect,

Fr. Michael
μας. Στέλνει τις ευλογίες Του στην Κοινότητα και τις οικογένειές μας. Τον προσκάλεσα να μας επισκεφτεί όταν την επόμενη φορά θα έλθει στην Αμερική. Έρχεται τον Μάιο του 2020.

Η Κωνσταντινούπολη ονομαζόταν "Μεγάλο Μοναστήρι" επειδή είχε πάνω από 1025 Εκκλησίες και Μοναστήρια μέσα στην Πόλη. Τώρα υπάρχουν μόνο 106 ανοικτά. Η Κωνσταντινούπολη έχει επτά λόφους και η Αγία Σοφία χτίστηκε στον 1ο λόφο. Επίσης, στον 7ο λόφο χτίστηκε το Μοναστήρι της Χώρας. Αυτή η Μονή έχει τα πιο διάσημα ψηφιδωτά.

Μετά την επίσκεψη με τον Παναγιώτατο, επισκεφθήκαμε τον Καθεδρικό Ναό της Αγίας Σοφίας που χτίστηκε τον 6ο αιώνα και εγκαινιάστηκε στις 27 Δεκεμβρίου 537 μ.Χ. Αυτή η τεράστια Εκκλησία, είναι ένα από τα επτά θαύματα του κόσμου. Ο Ιουστινιανός, ο αυτοκράτορας που έκτισε την Αγία Σοφία εισήλθε στην ολοκληρωμένη Εκκλησία για πρώτη φορά, είπε: "Νενίκησά σε Σολομών".

Η Αγία Σοφία χρησίμευσε ως κέντρο θρησκευτικής, πολιτικής και καλλιτεχνικής ζωής για το Βυζάντιο. Θαυμάσαμε τη μοναδική αρχιτεκτονική, τον τεράστιο χώρο στο πάτωμα και τις αψίδες, αλλά και τα ψηφιδωτά που έχουν αποκαλυφθεί και σωθεί. Καθώς ατενίζαμε τον Παντοκράτορα στον τρούλο, αντανακλάμε το διάσημο πνευματικό ταξίδι ως πιστοί να συναντήσουμε τον Σωτήρα, τον Παντοκράτορα μέσα από τις ασκητικές πρακτικές που ακολουθούμε για την σωτηρία μας. Οι καμάρες μας οδηγούν από το πάτωμα για να πλησιάσουμε τον Παντοκράτορα ακριβώς με τον ίδιο τρόπο που και οι κόποι μας στην άσκηση της πίστης μας οδηγούν και μας προωθούν για να συναντήσουμε τον Κύριο.

Πριν από την τουρκική κατοχή, η Αγία Σοφία βρισκόταν στη δόξα της. Θα μπορούσε να χωρέσει 23.000 άτομα σε ολόκληρη την Εκκλησία. Στον επάνω όροφο, είναι ο γυναικονίτης και δεν επιτρέπεται να αναμιγνύονται άνδρες με γυναίκες. Οι άνδρες στον 1ο όροφο και οι γυναίκες στον 2ο όροφο. Ακόμα και η αυτοκράτειρα είχε μια ειδική θέση μόνο στον επάνω όροφο. Προκειμένου να φτάσετε επάνω, έπρεπε να περπατήσετε με τον "πρώτη φορά" αναπηρικό διάδρομο που σε ανέβαζε στον γυναικονίτη και έχει το ύψος του 7ου ορόφου. Και από εκεί κατεβαίνεις με άλλη ράμπα. Δεν υπάρχουν σκαλιά. Οι διάδρομοι αυτοί είναι κατασκευασμένοι από μάρμαρο και με την παρούσα του χρόνου, το μάρμαρο έχει γίνει λείο και ολισθηρό. Θα μπορούσατε να μπείτε στην Αγία Σοφία μόνο με πρόσκληση. Ήταν ανοιχτή σε όλους μόνο τα Χριστούγεννα, το Νέο Έτος, το Πάσχα και στις 15 Αυγούστου.

Δυστυχώς, τώρα είναι μουσείο με εικόνες που είναι καλυμένες ως επί το πλείστον και δεν μπορούν να αποκαλυφθούν. Κάποιες εικόνες όμως φαίνονται με την μερική αποκατάστασή τους. Είδαμε τις εικόνες του Χριστού, της Παναγίας, του Αγίου Ιωάννη του Βαπτιστή, αλήθινα αριστουργήματα. Η Αγία Τράπεζα ήταν φτιαγμένη από χρυσό. Ο Σουλτάνος Μωάμεθ Β', μετά την εκπόρθηση της Κωνσταντινούπολης, εβγάλε την Αγία Τράπεζα και έλιωσε όλο τον χρυσό σε 55 εκατομμύρια χρυσά νομίσματα. 50 πόδια ασημένιο Εικονοστάσιο είναι σε ένα μουσείο. Ήταν λυπηρό το γεγονός ότι μια τέτοια μεγαλοπρεπής οικοδομή ήταν μουσείο. Είδαμε επίσης σκαλωσιές σε μια περιοχή της Εκκλησίας και μας είπαν ότι αυτές οι σκαλωσιές ήταν εκεί για 30 χρόνια δίνοντας την εντύπωση ότι γίνονταν κάποιες εργασίες. Αλλά στην πραγματικότητα, καλύπτουν το 1/3 της όλης Εκκλησίας και αποκρύπτουν το μέγεθος και την μεγαλοπρέπεια της Εκκλησίας. Εμείς δεν είδαμε να γίνεται οποιαδήποτε εργασία.
Ήμασταν επίσης σε θέση να επισκεφτούμε το Μπαλουκλί - "Η Ζωοδόχος Πηγή". Πηγαίνοντας στην Εκκλησία υπάρχει το νερό/αγιασμα που είχε βρύσες και μπορούσαμε να πάρουμε αγιασμό. Εκεί μπορούσαμε να δούμε κάτω από το νερό πέντε ψάρια που εξακολουθούν να υπάρχουν. Η κύρια Εκκλησία είναι όμορφη και ζωγραφισμένη ωραία αν και αν κοιτάξετε προσεκτικά θα παρατηρήσετε ότι η εσωτερική οροφή είναι σκοτεινή και μαύρη. Τι συνέβη; Στις 6 Σεπτεμβρίου το 1955, οι Τούρκοι όχι μόνο σκότωναν τον Ελληνικό πληθυσμό στην Κωνσταντινούπολι και βανδάλιζαν τα καταστήματα και τα σπίτια τους, αλλά και, το πιο τραγικό, συνέλαβαν μερικούς από τους ιερείς και τους έκαψαν ζωντανούς. Αφού τους κρέμασαν στο κέντρο της Εκκλησίας, όπως συνέβη σε εκείνη την Εκκλησία όπου βρισκόμασταν στο Μπαλουκλί. Ο λόγος για τον οποίο δεν καθαρίζουν το επόνωμες το νερό είναι γιατί θέλουν να υπενθυμίζει τι έκαναν οι Τούρκοι. Περπατώντας στην πίσω αυλή της Εκκλησίας υπάρχουν οι τάφοι όλων των Πατριαρχών και πολλών Αρχιεπισκόπων/Επισκόπων. Το μνήμα του τελευταίου πατριάρχη μας, Δημητρίου, είναι εκεί.

Περιττό να πω, ότι όπου κι αν πηγαίναμε, υπήρχαν λεωφορεία και άνθρωποι που έρχονταν συνεχώς. Αυτοί οι άνθρωποι είναι Χριστιανοί από όλο τον κόσμο και πολλοί Έλληνες. Είδαμε κάποιους από την Ελλάδα. Στην Κωνσταντινούπολη υπάρχουν 3.000 τζαμιά. Συνεχίζουν να κατασκευάζουν περισσότερα τζαμιά. Ωστόσο, λένε ότι το 15% τους υπόλοιποι πηγαίνουν στα τζαμιά και οι υπόλοιποι είναι αδιάφοροι. Στην Κωνσταντινούπολη ζουν 20 εκατομμύρια άνθρωποι.

Ήμασταν επίσης σε θέση να επισκεφθούμε τη Θεολογική Σχολή της Χάλκης. Περάσαμε το Βόσπορο με πλοίο για να πάμε στο νησί της Χάλκης. Αφού βγήκαμε από το σκάφος, πήραμε άμαξα με άλογα για να πάμε στην κορυφή του λόφου όπου βρίσκεται το Σχολείο. Από την κορυφή, μπορούσαμε να δούμε όλη την Κωνσταντινούπολη. Η Σχολή είναι ακόμα κλειστή. Οι τάξεις που επισκέφτηκαμε είναι έτοιμες να δεχθούν μαθητές. Η κυβέρνηση είχε αποφασίσει για όλα τα ιδιωτικά κολέγια να κλείσουν το 1971. Αλλά εμείς εδώ στην Αμερική προσπαθούμε με την επιρροή της κυβέρνησης μας να ξανα ανοίξει η Σχολή.

Μάθαμε τόσα πολλά στην Κωνσταντινούπολη. Προσευχόμαστε ο Κύριος να παράσχει τη δύναμη στον Πατριάρχη μας και να προστατεύει όλους που διακονούν έτοιμα για υπηρεσία της κυβέρνησης μας. Παρακαλόμαστε να παράσχετε τη δύναμη και την Αρχιεπισκοπή μας. Παρακαλούμε δείτε τις φωτογραφίες.

Με αγάπη Χριστού,

Πατήρ-Μιχαήλ Βαρβαρέλης

Veterans Day 2019 — November 11

Veteran’s Day is a tribute to military veterans who have served in the U.S. Armed Forces. Originating in 1919 when President Woodrow Wilson marked a year since the end of the First World War, the day coincides with other days of remembrance around the world including Armistice Day in the United Kingdom and Remembrance Day across the Commonwealth of Nations. Not to be confused with Memorial Day, which honors those who died while in service, Veterans Day honors all military veterans, including the living.

A NOTE FROM THE PARISH COUNCIL

Dear Parishioners:

Consistent with our vision for financial transparency, I want to continue to share with you how we manage the money that you entrust to us and how we make various choices.

Our basic operating costs, salaries, utilities, routine building & grounds maintenance, insurance, supplies, technology and certain ministry expenses (Sunday School, Choir, etc) are paid for with Stewardship. Also included in our basic operating costs are our commitments to the Archdiocese and Metropolis. Because our Stewardship isn’t enough to cover these expenses, we collect money each week from candles and trays. The balance is covered by the proceeds from our Annual Festival.

Some of our groups and ministries do not receive enough support from the church budget so they do their own fundraising through various means.

We also have special offerings from time to time via our collection trays. Each of these has a specific purpose and 100% of the collections go for those purposes.

We have established a number of endowment funds for various purposes including building & grounds, academic scholarships, camp scholarships, Greek school, etc... These endowments are held in trust and legally CANNOT be used for anything other than their documented purpose. We highly encourage you to consider these endowments in your planned giving and for memorial donations for your loved ones. Whatever Festival proceeds that are not required to supplement our operating budget are allocated to the Building & Grounds Endowment Fund and to various community outreach and charities.

Many of you have commented on the recent beautification of our church. The money for the Icons and for the marble was DONATED by all of you, specifically for this purpose. These projects would not have moved forward if there had not been adequate financial sponsorship.

What you give, either in Stewardship or in a tray or as a donation to a special ministry or project is up to you to give in proportion to God’s blessings to you. Just remember, the Lord loves a cheerful giver.

Yours in Christ

George J. Spanos
Parish Council President

The Parish Council prides itself on transparency in all that we do. The following are available to each and every parishioner and may be requested at the office, or from a member of the Executive Committee of Parish Council - Minutes from the Monthly Parish Council meeting; Annual Budget and Actual Spending Year to Date; Balances of our various Endowment funds. - John Mazias
- Basil Papoutsis

VOTER ELIGIBILITY FOR PARISH COUNCIL ELECTIONS

In order to be eligible to vote in the Parish Council Elections, an individual must be a member in good standing of the Parish, as defined in the Uniform Parish Regulations of the Greek Orthodox Archdiocese of America. In Chapter One, Article 18, Section 1, of these regulations, a parishioner in good standing is defined as: "Any person, eighteen years of age or over, who was baptized and chrismated according to the rites of the Orthodox Church and lives according to the tenets of the Orthodox faith."

The Uniform Parish Regulations also provide that a member in good standing is one who has met his or her stewardship obligation to the Parish. Under Article VI, Section 1, of our Parish Bylaws, this stewardship obligation is defined as follows: "For purposes of voting in the annual election of Parish Council members, a parishioner in good standing is defined as any member of the Parish who submits a completed stewardship pledge card on or before the end of the Ecclesiastical Year, August 31, prior to the elections on the third Sunday in November of each calendar year."

In addition, Article VI, Section 6, of the Parish Bylaws provides that "Absentee ballots shall be made available to parishioners who for physical or health reasons are unable to personally cast a ballot on the day of elections and who are otherwise able, competent, and eligible to vote." Requests for absentee ballots will be available in the church office.

***Please remember that if you do not turn in a pledge card, you are NOT eligible to vote in the Fall elections for Parish Council, NOR are you able to run as a candidate. August 31, 2019 was the deadline to submit your stewardship pledge card.***

Father Michael’s Monthly Report 10/8/2019

1. Clergy-Laity Assembly (September 26, 27, 28) was a very successful event. What a magnificent coming together of our entire Community. Thanks to the organization that the Parish Council provided, George Spanos and the Committee members, Nick Theofanis, John Harbilas, John Papoutsis, Yemane Tsezzai, Zissis Chronoeos, Basil Papoutsis, Bob Moeller and especially to Nick Mallios for the HUGE responsibility for providing the vast variety, tasteful and plentiful meals along with his wife, Linda Mallios, Philoptochos President and their crews who went above and beyond all expectations for their preparations and organization in meeting the demands of the weekend’s events with the food and set ups. I am so proud of our Community and our Metropolitan along with Archbishop Demetrios were extremely pleased and impressed. In fact, our Metropolitan confidentially said that “this is the best Clergy-Laity that our Metropolis has ever had”.

I was asked about how many numbers of people participated at the Thursday evening Banquet honoring His Eminence Archbishop Demetrios. I told them that we were ready for 275 people. But since a death occurred that late afternoon in our Community, we had 260 people attend. Thank you for the participation and offering to help, thus making our Community shine. Also, a special thank you to Gregory Touloumes for providing his microphone and special tools for the Clergy Meeting on Thursday and for the Philoptochos on Friday and Saturday. Also thank you to Otto Wallenmeyer for adjusting the mikes in the Hall and the sound system. Thank you to George Spanos for helping with the mikes and also the video that were shown and the projector equipment. Thanks to Nick Theofanis for taking all the pictures. He was the Clergy-Laity’s “designated photographer”.

I would like to thank Basil Papoutsis for preparing the sign for the Clergy-Laity Assembly, George Mallios for professionally cleaning all the glass partitions that are in the Narthex. I also want to especially thank Diane Foutris for singing the National Anthems so beautifully for us at the Banquet on Thursday evening. Also, I want to thank Ann Ariano and the Olympic Flame Dancers for their impressive dance presentation honoring His Eminence Archbishop Demetrios and His Eminence Metropolitan Savas along with all the participants at the Banquet. His Eminence Archbishop Demetrios extended his heartfelt appreciation to the children and also expressed His thoughtfulness for the GOYANS that served the head table. He commended them in His speech.

Our Metropolitan stayed on for Sunday, Sept. 29th and gave the Oath of Office to our Philoptochos Board and also presented a framed picture of our Cathedral to Mr. Jim Papoutsis for donating the funds for the marble project; Narthex, main aisle and in front of the pews. His Eminence also gave me an award of St.
Photios, the Metropolis Patron Saint, to congratulate and show His appreciation for the success of the Clergy-Laity Assembly that we hosted. (I also discovered that many of our clergy like Greek coffee...).

2. **Golf Tournament – Sunday, Sept. 22nd** – A big thank you to Chris Petsinis and his committee for a very successful event. Everything at the Golf event went smoothly. We were fortunate to have good weather; the golf course was perfect, and the participating golfers loved it. There was lots of food and prizes. People donated different items. Chris Petsinis donated a number of items, as well. One person from his committee to be mentioned is Athan Mazias for calling, visiting and succeeding in bringing golfers and sponsors. Thank you.

3. **We have a good** participation with Sunday School and Greek School. We wish everyone a good year.

4. **Bible classes** to begin this Thursday.

5. **Altar Boy Teams** have been formed and the parents have received the groups through the email. The teams were also included in the Source and what dates they would come to the Altar.

6. **Adult Greek School** has 8 participants. We are off to a good start.

7. **GOYA is doing well.** We have good leadership through Fr. Aaron, Vicki Kotsalos and John Papoutsis. They had an initial kick-off picnic (Sunday, Sept. 15th) at Bri Balafoutas-GOYA President’s home where different events were discussed and the Calendar of events for the year was presented. Monthly meeting held last Sunday, Oct. 6th. They are participating in 3 basketball tournaments; 1 in Pittsburgh, 1 at St. Sophia in Washington, DC and 1 at St. Katherine’s, Fall Church, VA. They also discussed fund-raiser events with baklava and loukoumades and later on Christmas Caroling. They discussed and have 13 committed GOYANS going to the Nazareth Fall Retreat (Nov. 22, 23, 24) with the theme “Put on Christ”.

8. **Jr. Ensemble** this Sunday. Please consider participating after Church.

9. **Our Christmas Musical** is progressing nicely. It looks like it will be a very nice program.

10. **Fr. Antipas**, Abbott of St. Anna’s Monastery in Mt. Athos was with us this last Sunday, October 6th to Liturgize but also, he gave the sermon. He also was able to chant at the Feastday celebrations at Holy Protection Monastery on Monday, Sept. 31st for the vigil from 6:30pm to 12midnight and on Tuesday, Oct. 1st for the Divine Liturgy. His Deacon, Fr. Theodosios also served as well. Bishop Ierotheos from St. Irene Chrysovalantou in Astoria officiated in the evening’s vigil and served on the Feastday on Tuesday morning. There were many people there. Fr. Aaron drove a 15-passenger rental van to Holy Protection on Tuesday morning with some of our parishioners. Also, most of our parishioners drove themselves to the Feastday celebrations especially from Carlisle and Chambersburg. It was at the celebration that Fr. Antipas mentioned to me that he wanted to come for the Sunday morning service at Holy Trinity.

Thank you to John Harbilas for inviting and offering lunch to Fr. Antipas after Church on Sunday.

11. **Pictorial Directory is ready.** Those who took a picture and/or submitted a picture will get a free directory. They will sign for it. Those wishing to have a pictorial directory, it will cost $10 per copy.

12. **75th Anniversary Album is ready.** This Sunday, October 13th the distribution will start. Those who have paid will receive one copy free of charge. To buy one, the 1st copy will cost $40 and if you buy a 2nd copy then the cost for both will be $70 and if you buy a 3rd copy the cost will be $100 for the three copies. Some invoices will be mailed out to those who haven’t paid for their ad.

13. **The Chandelier** on top of the Holy Altar was given to be polished. It is not bronze, as we thought, but metal so the man gold-plated the chandelier. It was brought back to Holy Trinity before the Clergy Laity. Nick Theofanis painted the chain gold from the ceiling to the chandelier.
14. **The 2-headed eagle rugs** that are in the Holy Altar were anonymously donated along with the cover for the “antimension” which is under the Holy Gospel in the Holy Altar.

15. **The Arch-Priest** curtain for the Royal Doors in velvet will be ready before Christmas.

16. **The survey for the Beta-Thalassemia** is going on well in our parish. Zissis Chroneos has engaged medical students who are able to explain and guide our parishioners to respond to the questions on the laptops.

AHEPA Supreme President George Horiates on Membership

Group Initiation by Supreme President of new members to Chapter #64 on November 19, 2018

AHEPA was founded on July 26, 1922 in response to the evils of bigotry and racism that emerged in early 20th century American society. Today, AHEPA brings the ideals of Ancient Greece, which includes philanthropy, education, civic responsibility, along with family and individual excellence to the community. Many United States Presidents have been members of AHEPA, as well as AHEPA being recognized as one of America’s 1,000 points of light in a speech made famous by President George Bush.

Although a majority of the membership of Americans of Greek descent, application for membership is open to anyone who believes in the mission of the organization. Now, more than ever we are asking for your commitment and the commitment of others worldwide in an effort to defend Hellenism. Our voices have to be heard in Washington, D.C., and in other countries of the west, as our Greece and our Cyprus, the very cradles of Western Civilization, are under attack like no time before in our history. AHEPA’S global headquarters in Washington, D.C. and our commanding presence as the leading worldwide organization in the defense of Hellenism has experienced a realization from Western Powers that our Greece and Cyprus are the new Eastern Front of Western Civilization.

AHEPA has great programs that are our ‘calling card’ to the world of our unmatched contributions to our communities throughout America, Canada, Western Europe, Greece, Cyprus, and Australia. Those programs are included herein. Our 500 plus chapters worldwide hewn out of almost 100 years puts Hellenism and our member contributions to society as unparalleled. It is a simple proposition! If you love Hellenism, with all of it’s splendor - JOIN NOW! Contact your local chapter and be added as a recurring yearly member in the ranks of those who have defended Hellenism and continue to do so! Another option is to log in to www.ahepa.org/join to become a recurring yearly member. Do your part to join the ranks of those in Defense of Hellenism. Continue to ignite the flame that has kept our society burning bright! Consider this invitation and JOIN AHEPA now as a recurring member! *The National Herald – September 7-13, 2019 from Supreme President George Horiates, Order of AHEPA: ‘Defenders of Hellenism’
Strengthening AHEPA Membership: Another Point of View by James Zafiris of Ahepa Chapter #405 from New Rochelle, NY (The National Herald www.thenationalherald.com)

The analytical data shows that AHEPA is still the backbone of the Hellenic American Community even though domestic membership has been in decline for some time now. AHEPA is not alone, as many other organizations have experienced similar declines. It is not that these organizations have changed, but America has changed. Moreover, in spite of aggressive efforts to initiate new members, the issue is not recruitment but retention. The loss of membership in the United States represents a loss of capital and civil engagement. Today, potential members are constrained by lack of time. In addition, they might not see much in an organization whose prestige and vitality have declined. The decline of AHEPA’s domestic membership has forced AHEPA to develop and expand the brand in new markets like EUROPE to make up for the loss of revenue, image, and prestige. Moreover, we need to understand what makes organizations flourish and what makes them languish. Social economic factors, including mixed marriages, divorces, newfound wealth, and time management all have impacted AHEPA and other social organizations.

The Greek American and Philhellenes today are more likely to be considerably more successful, resourceful, and better educated with advanced degrees than their counterparts of previous generations. While their priorities remain family, career, and education, status has entered into the equation of lifting their image, especially by the much larger Anglo community. They want association and recognition with leading members of their community. They want their children exposed to a better social environment, so they can interact and network with people not necessarily of their own ethnicity, which accounts for the increase of many mixed marriages. This generation of Ahepans seek upscale social and diverse mobility, along with economic possibilities. In an effort to achieve their goals, many have left AHEPA and have joined other organizations in an attempt to get closer to their heritage and achieve their goals. It is not enough to simply rely on routine monthly meetings, distribution of scholarships, or the next philanthropic project to rise to the occasion. AHEPA has the built-in advantage of being an “American” grassroots organization, but it needs to re-invent performance on an ongoing basis. It has to focus attention in its own backyard. This would appeal to the ever-increasing numbers of Philhellenes, who are becoming members and even leaders in their chapters. That’s what the “A” stands for in AHEPA. Some AHEPA Chapters are consciously aware of these socio-economic factors and more innovative than others which makes them more likely to succeed. Signature events such as Career Days, Legend Tributes, Supporting Wounded Warriors, Nationwide AHEPA Homes, Guest Speakers, and involvement in co-sponsoring events with other multi-cultural organizations (not necessarily Greek ones) fill their calendars.

Respectfully submitted,
Dr. Michael Billys, Chaplain, Corresponding Secretary, Membership Chairman, AHEPA Chapter #64
District Marshal of Power District #4

Holy Trinity Junior Ensemble!

On Sunday, October 13, our Holy Trinity Junior Ensemble performed following Divine Liturgy. This year, we had six participants showcase their wonderful, God-given talents. Instruments played included the piano, flute, violin and the trumpet. We also heard beautiful singing, and even Byzantine Chanting of Axion Esti! It was a beautiful performance and we congratulate all who were involved. We also want to thank Connie Kokos, director, Otto Wallenmeyer, sound specialist, those who meal prepped, and everyone who helped make this great event possible!

Hope & Joy Gathering!

On Friday, October 18, the youth of our Hope & Joy group enjoyed an awesome evening of fun! The topic of the evening focused on St. Luke the Evangelist.

St. Luke is one of the 70 Apostles. He wrote one of the four Gospels, as well as the book of acts, which tells us about the establishment of the Church at Pentecost and the missionary activity of the Apostles, baptizing tens of thousands into the Orthodox faith. St. Luke is also the first iconographer of the Church. He produced many icons of the Most Holy Theotokos and Christ-child. Many of these icons are miracle-working.

The evening also included a wonderful dinner, arts & crafts and games! We would like to express our gratitude to Jennifer Solomon and all our parents who helped make it a success!

Save the Date!

ADVERTISING IN THE SOURCE

In an effort to contain printing costs for monthly newsletters, many churches have turned to paid advertisements in their publications. Parish Council has agreed to adopt this funding source for our monthly publication. Doing this would help lessen and possibly erase the expense of publishing the Source.

We now have availability for two pages of paid ads in our monthly Source. The ad price will represent a year of advertising or 11 issues as we combine the October and July Source into one issue. Ads are sold by the block. There will be room for 24 ads or blocks per page. You may purchase more than one block for increased space and presentation. The cost of one ad block is $125 per year, and subsequent blocks would be an additional $100 per block. For example, a business card ad would equal two blocks and would cost $225. Camera-ready ads are appreciated but not required.

Please help us promote this program. If you own or work for a business that may be interested in advertising in our Source which is sent out to over 600 families, please contact Mary in the church office. If you know of a business that may be a potential advertiser, please pass on a contact and phone number. Examples of businesses that may be interested in advertising could be Greek bands, importers, baptismal supplies/clothing stores, and jewelers specializing in crosses. Other possibilities could be lawyers, accountants, real estate agents, etc. The only ads we cannot accept are ones pertaining to credit cards, travel, or insurance.

Please contact the church office as soon as possible if interested in this program.
